To The Secretary to the Government of Madras,

Development Department.

Sir,

In G.O.No.318 Revenue, dated 9.2.1907, Rights of way No.D.I.over the Mandekole -Sullia foot path and No.D.II over the foot path from the Mandekole - Sullia foot path to the Medinadka enclosure, were admitted to a width of six feet, within Medinadka West Reserved Forest of Uppinangadi (now Puttur) taluk, of the South Kanara district. The foot path from Mandekole to Sullia has now a different course from that admitted at settlement and its points of entry and exit also differ. It is also proposed to convert it into a cart track. The foot path

which branches from the Mandakole - Sullia foot path, to the Madinadka enclosure has, on account of the unauthorised course of the former, a different point of entry from that admitted at settlement and consequently an unauthorised course for a short distance. A revised description of both rights of way is necessary and is under issue. It is, therefore, requested that rights of way Nos. D.I and D.II, admitted in the G.O. quote above, be extinguished, under Section 20 of the Act, from the date on which the description of the revise- rights of way is published in the local Gazette.
